Sacramento's Kit Miyamoto Appointed to State Seismic Safety Commission

Ann Gonzales, Sacramento Bee, 2-11-12

Kit Miyamoto of Sacramento has been appointed by Gov. Jerry Brown to the state Seismic Safety Commission. Miyamoto, a Republican, is president and chief executive of Miyamoto International, a global earthquake and structural engineering firm based in West Sacramento.

The commission assists the Governor's Office and policymakers in investigating earthquakes and coming up with ways to improve seismic safety.
