PASADENA -- Police and firefighters were busy all night as they responded to a landslide on Avenue 64 and a pair of small fires.

A resident called in a report of a landslide blocking Avenue 64 at 12:30 a.m. Wednesday, officers said.

Police closed the road while the slide was cleared, but due to the time it occurred, the impact on traffic was limited. No injuries or damage to structures were reported, Lt. Pete Hetteema said.

The road has been reopened.
