

Highway 1 in Big Sur still closed after rock slide

Bert Etling, San Luis Obispo Tribune, 1-24-12

Highway 1 remained closed Monday to through traffic on the south end of Big Sur as a result of a large rock slide at Rain Rocks, just north of Limekiln Creek.

Caltrans crews assessed the damage the damage during the day, but the road was to remain closed overnight Monday and into Tuesday. No estimate was made of when the road might reopen.

Northbound motorists headed for Big Sur are advised to take Highway 101 to Highway 68 in Salinas, then east to Monterey and south to Big Sur.

Businesses north and south of the slide remain open.
